Sean Cummings, President
Fermata Arts Foundation, Inc.
P.O. Box 197
Avon, CT 06001

Date: January 20, 2022

Dear Mr. Cummings,

The Embassy of the Republic of Moldova to the United States of America presents its compliments to the Fermata Arts Foundation in its activities under the program "Let's Build a Roof over the World". "The Peace in the World", one of the projects under umbrella of this program is a unique occasion as it provides us an opportunity for the promotion of our cultural values in the multicultural and diverse societies outside Moldova.

For the young people, "if you approach each new person you meet in a spirit of adventure, you will find yourself endlessly fascinated by the new channels of thought and experience and personality that you encounter". With this quote of Eleanor Roosevelt, I encourage you to embrace peace in your daily lives. Peace comes from understanding and respecting the differences that make each of us unique.

International projects, like the one organized by the Fermata Arts Foundation provide good venues for the youth to engage in dialogue and exchange ideas on how to achieve a peaceful world.

We send our best wishes to Sean Cummings, Fermata Arts Foundation president. Your continuous success in building an intercultural dialogue between the United States and countries of the post-soviet space through the synthesis of art, architecture, philosophy and poetry is a strong approval stamp on what you are doing for the preservation of peace through mutual respect, understanding and cooperation.

Sincerely,

Eugen Caras,
Ambassador
